FREE RESOURCE FOR RESIDENTS & FELLOWS

Residents and Fellows.

It's time to start considering practice opportunities.

There are thousands of hospitals and single- and multi-specialty groups with opportunities available for you to consider. How do you find and win exactly the right practice opportunity?

NewPhysician has the answers.

NewPhysician is a free resource that was created to help residents and fellows get the information necessary to make informed choices in their careers. During the past five years, NewPhysician has helped thousands of residents and fellows evaluate opportunities by providing answers to questions like: Will I get to live wherever I wish? What do the compensation surveys indicate I should expect for my specialty? How can I successfully negotiate for help paying off my loans? What are "income guarantees" and how can they benefit me? Will this job be in the type of organization in which I would like to work? Will I get to treat the patients and conditions I want to treat? How often will I have to take call? What hours will I be expected to work? What does each element in a contract mean and how does each apply to my situation? How will I learn the business of medicine, how to successfully operate my practice? What questions should I ask during the interview? When will a decision be expected? Who should mentor me in my first months in my own practice?
