### ASTOR HOME FOR CHILDREN

DUTCHESS COUNTY, NY

The Astor Home for Children, a not-for-profit children's mental health agency is seeking CHILD PSYCHIATRISTS or adult psychiatrists experienced with adolescents to join our team of professionals in providing evidence-based, family focused, and strength-based mental health care to children in our outpatient programs in Dutchess County, NY (90 miles north of NYC).

Astor programs provide a wide range of preventative and specialized treatment services to children and their families in the Hudson Valley and in New York City (Bronx). We are Joint Commission accredited and we are the NYS Child and Family Clinic Plus provider in Dutchess County. Our programs serve children from the earliest stages of development (Early Head Start) through adolescence.

Job responsibilities include psychiatric evaluations, medication management, and working with a dedicated and highly qualified team of psychologists and social workers to plan and provide individualized treatment. The positions involve no weekends or night call.

We offer a competitive salary and generous benefits including health insurance, disability and life insurance, vacation and personal time, paid holidays, pre-tax savings accounts, CME time, participation in on-site training and major agency trainings provided by well known experts in the field of child and adolescent mental health. We also have an American Psychological Association accredited Psychology Internship program.

The beautiful Hudson Valley offers a high standard of living, excellent schools, and easy access to hiking, skiing, boating, and a wide range of cultural activities.

For further information please contact **Alice Linder, MD at (845) 871-1007 or [alinder@astorservices.org](mailto:alinder@astorservices.org). Website: [www.astorservices.org](http://www.astorservices.org)**

### BLOUNT MEMORIAL HOSPITAL

MARYVILLE, TN

Live, work and play in the Foothills of the Great Smoky Mountains. Achieve a healthy work-life balance while helping to build Blount Memorial Hospital's innovative Emotional Health & Recovery Center in Maryville, Tenn.

Outstanding full-time salaried opportunity for an energetic, board certified/eligible psychiatrist to establish an outpatient practice as well as take part in light inpatient, intensive outpatient and consultant coverage for the medical-surgical parts of this health-minded community hospital. Post-residency experience is preferred and specialty practice with adolescents, substance abuse and/or geriatrics would be welcome.

The position offers a competitive salary and generous benefits package including malpractice coverage, paid sick days, vacation, holiday and CME opportunities. Maryville's top-notch schools, thriving arts community, abundant outdoor recreational opportunities, welcoming college town atmosphere with easy access to Knoxville, an active airport and the lack of a state income tax make for an abundant professional and personal life.

Interested candidates are encouraged to call Emotional Health & Recovery Center medical director Dr. Brent Coyle for more details at 865-256-4930, email their CV to [BrentCoyle@mac.com](mailto:BrentCoyle@mac.com), fax it to 865-981-2302 or send it by mail to the Blount Memorial Emotional Health & Recovery Center, 907 E. Lamar Alexander Parkway, Maryville, TN 37804.

### CINCINNATI CHILDREN'S HOSPITAL

CINCINNATI, OH

The Division of Child and Adolescent Psychiatry of Cincinnati Children's Hospital Medical Center (CCH-MC) led by Michael Sorter, MD is undergoing a major expansion to meet our long-term goals to improve mental health needs for children, adolescents, and young adults.

We currently have openings for faculty candidates at all levels of appointment; positions are available in inpatient, outpatient, partial and residential programs. This is an opportunity to pursue a career in a state-of-the-art facility within an academic environment and to collaborate on an inter-disciplinary level to manage a wealth of patient diversity. It will also provide the ability to collaborate with community agencies and actively conduct research under the direction of Robert A. Kowatch, MD, PhD, Director, Pediatric Mood Disorders Center at Cincinnati Children's.

The Department of Psychiatry is composed of 16 faculty members and had over 30,000 patient encounters in 2007. There are five inpatient units between two locations: CCHMC Main Campus (24 beds) and the College Hill Campus (40 beds).

Cincinnati Children's is the second highest ranking recipient of research grants from the National Institutes of Health among pediatric institutions. By being ranked the third best pediatric program at a medical school according to U.S. News and World Report, we have the unique opportunity to influence future generations and the manner in which children are cared for.

Stacy Combs, SPHR, Physician and Faculty Recruitment, Cincinnati Children's Hospital Medical Center, 513-636-5260, Stacy.Combs@cchmc.org, www.cincinnatichildrens.org. CCHMC is an Affirmative Action/Equal Opportunity Institution. Women and minorities are encouraged to apply.

### FREE RESOURCE FOR RESIDENTS & FELLOWS

**It's time to start considering practice opportunities.**

There are thousands of hospitals and single- and multi-specialty groups with opportunities available for you to consider. How do you find and win exactly the right practice opportunity?

**NewPhysician has the answers.**

NewPhysician is a free resource that was created to help residents and fellows get the information necessary to make informed choices in their careers. During the past five years, NewPhysician has helped thousands of residents and fellows evaluate opportunities by providing answers to questions like: Will I get to live wherever I wish? What do the compensation surveys indicate I should expect for my specialty? How can I successfully negotiate for help paying off my loans? What are “income guarantees” and how can they benefit me? Will this job be in the type of organization in which I would like to work? Will I get to treat the patients and conditions I want to treat? How often will I have to take call? What hours will I be expected to work? What does each element in a contract mean and how does each apply to my situation? How will I learn the business of medicine, how to successfully operate my practice? What questions should I ask during the interview? When will a decision be expected? Who should mentor me in my first months in my own practice? You’re just a call or click away. (866) 756-0003, [www.newphysician.com](http://www.newphysician.com)
