Residents and Fellows. Before You Start Your New Practice, TEST THE WATERS. Enjoy the lifestyle of a locum tenens physician.

As a newly graduating physician, consider testing the waters before you decide which permanent practice opportunity best suits your needs. By working locum tenens through Staff Care® - the nation's leader in locum tenens staffing - you can pick from numerous geographic locations and clinical settings, testing each for just a few weeks at a time.

We have job opportunities that are close to your home, close to where you went to school, close to where you like to play, close to family, and close to your heart. We represent hundreds of organizations (large and small hospitals, public and private clinics and single- and multi-specialty physician groups) looking for physicians to fill temporary assignments. We need every clinical specialty.

Staff Care can help you work where you want, when you want (try out several locations and/or practice settings). Staff Care arranges medical malpractice insurance for you, arranges travel and housing for you, assists you with securing expedited medical licensure in the state(s) where you want to work and negotiates premium pay rates on your behalf for working additional hours and being available to take call ... all at no cost to you.

Test the waters. You're just a call or click away. (800) 685-2272, www.staffcare.com

THOMAS JEFFERSON UNIVERSITY DEPARTMENT OF ANESTHESIOLOGY

PHILADELPHIA, PA

Critical Care/Cardiac Critical Care Anesthesiologist

The Department of Anesthesiology at the Jefferson Medical College, Thomas Jefferson University seeks candidates for positions in the critical care and cardiac critical care areas. The newly designed ICU expands to 34 state-of-the art beds. B/E or B/C applicants will work in an exciting, unique academic environment known for its excellence in patient care and highly satisfied personnel. Clinical responsibilities may be shared between the critical care areas and the operating suites. We offer competitive compensation and benefit plan. Interested individuals should send their curriculum vitae to:

Zvi Grunwald, M.D. Professor and Chair, Department of Anesthesiology, Jefferson Medical College, 111 South 11th Street, Suite G-8490, Philadelphia, PA 19107

UMASS MEDICAL SCHOOL, DEPARTMENT OF ANESTHESIOLOGY

WORCESTER, MA

Accepting Applications for 2009-2010 and 2010-2011.

All training takes place in both the Surgical ICU (8-10 months) and Medical ICU (2-4 months). There is also the option of one-month electives both at the Worcester Medical Center in the Echo Lab and at UMass Memorial in TEE training. The SICU provides a rich environment for the training of anesthesiologists interested in the practice of critical care medicine. The program is administered by full-time anesthesiologists-intensivists, broadly covering the cognitive and skill components essential to this multidisciplinary specialty. Duration is one year and it is fully accredited by the ACGME. Please note that this is an advanced fellowship and that all potential candidates must have completed an Anesthesiology residency in the U.S. Fellow call is from home 50% of the time (weekdays and weekends) when at the UMass Memorial. 3 weeks vacation, 5 sick, 3 personal, 5 meeting days, and a \$1000 educational stipend offered.
